

**Check the part number on the Free or Total probe and use the below information to ensure the correct replacement membrane caps are ordered.**

CS2 (Free Cl probe, older generation) requires M48.1 Membrane Cap w/ G Holder (PN: 17410).

CP2 (Total Cl probe, older generation) requires M48.1 Membrane (PN: 17420)

CS4 (Free Cl probe, newer generation) requires M48.4 Membrane Cap (PN: 17413)

CP4 (Total Cl probe, newer generation) requires M48.4 Membrane Cap (PN: 17413)

Note: The part number for the membrane cap (e.g. M48.1 or M48.4) is printed on the side of the cap below the vent hole.
